

GHS Booster Minutes 4/27/22

Minutes approved from 3/24/22

Extra big thank you to all of the volunteers, donors and attendees for the gala. It was a huge success! Hopefully will become a tradition at the Speakeasy @ Arcada.

Need to double check Viking Review date. School website says May 20 and 21. Jay said he believes it's just May 21, but will confirm with Ms P.

Boosters is interested in making a discount book of coupons to sell possibly next year as a fundraiser. To be discussed further next Fall. Great way to raise money.

Boosters should reach out to PTO next year to add theater boosters or even music boosters with Amazon Smiles to raise money for prom through Amazon when looking for donations for post prom.

School was awarded a \$12,500 grant for sound equipment for auditorium. Hopefully will be delivered and installed by Fall but not sure due to supply chain backups. Jay said we also received a grant for a purchase of a new \$2000 say to use for set designs for tech.

Discussion was brought up about possibly giving old sound equipment to the middle schools for their performance uses. Jay will ask to see if this is possible.

Drawstring swag bags will be given to Ms P for distribution once they arrive.

Final meeting is being moved to May 19 @ 630p at Preservation. Please let Kristin know if you will be attending by May 8 so we have enough seating.

Last but not least we need a President for next year's boosters! Grab a friend and be co-chairs to the most fun group in town! Email Kristin with any questions or interest.
