Alice in Wonderland

Director's Notes

Alice in Wonderland is not just a children's classic, but a celebration of the imagination.

As Alice travels through Wonderland, she encounters wild, exaggerated, and sometimes frightening creatures of whom mirror the characters in her "real" life. Alice's path is one of self discovery she learns to navigate this strange new world and returns to her own, able to dream and determined NOT to hold her tongue.

I want to thank all those who worked so tirelessly on this production: crew, cast, parents and boosters, school administrators, Mr. Rogers, Mary Toledano, Connor Speck, and Kate Woodruff. What a team!! Each brings his/her own particular brush strokes, but together ... we bring what you will see tonight.

Much love,
Konnie Kay Sherry

Alice in Wonderland

Cast

Peter Anderson (*Courtier*) Peter is a junior at GHS, and this is his very first play and he is super excited. He doesn't know much, but due to all the support and guidance from the directors and actors, he has learned the roads of acting. He plans on becoming an actor as a career and will do whatever it takes to become one. He loves to act because he can show his personality and not get judged or criticized by other people which makes him super happy.

Reed Anderson (*King of Hearts*) Reed is very excited to be part of the play this year. Coming from the 8th grade musical, it is a big step up for him. He hopes that everybody enjoys the show. He would like to shout out to his mom and dad for helping him and supporting him. He would also like to shout out to Garret and say that he needs another freshman boy in these things, and he better be in the musical. He thinks that this has been an amazing experience and will do it next year for sure.

Caroline Atkinson (*Cook*) Caroline is very excited to be in her second production at GHS! Some of her previous productions were *One Acts*, *Beauty and the Beast*, and *The Music Man*. When she's not on stage, she can be found sewing in her room, working on homework, and hanging out with the robotics team. Caroline would like to thank her family, her friends and most importantly, her birds, who have all helped her get this far. She hopes you all enjoy this performance and her pepper filled soup!

Cari Barr (*Gardener #7*) Cari is a freshman here at GHS. This is her eighth show she has participated in. Here at GHS, she is a member of the Concert Orchestra where she plays the cello and the string bass as well as being a part of German Club. She is happy and excited to be a part of this show with such a great cast.

• Kaia, Congrats on a great show, love watching you perform!!

Cast

Kate Barr (*White/Soldier #2*) Kate is a freshman and has enjoyed doing theatre since 6th grade. Kate has a twin sister, Cari, and plays 3 instruments including the piano, the ukulele, and the viola. Kate is involved in ITS and Treble Choir at school as well as taking voice and piano lessons outside of school. This will be her 9th show overall. She is super excited to be a part of this year's fall play of *Alice in Wonderland!*

Audrey Carberry (*Humpty Dumpty*) Audrey Carberry is a junior at Geneva High School. She is very excited to play Humpty Dumpty in this show despite the fact that she was clearly chosen because of her Egg Ancestry. To prepare for her role, Audrey spent a lot of time in the refrigerator section of Meijer. It was risky business making sure that she wasn't purchased by an unsuspecting customer, and several times she was forced to pop out of hiding in her carton and scuttle to safety behind the Trumoo. Eggs live a hard life; and during the months of research she endured, she learned many important things. The most important thing she learned was this: the shell must break before the yolk, and it is only protected by the shell.

Nathan Castagna (*Frog Footman/Executioner*) Nathan is a 15 year old sophomore. He was most recently seen in *Shrek the Musical* as Shrek and in *Les Misérables* as Jean Valjean. This is his first production that he has been a part of at the high school, but he has been in countless other plays and musicals. He would like to thank his directors for all their hard work. He is super excited to be a part of *Alice in Wonderland* and hopes you enjoy the show.

Jacob—Your final high school performance! It has been complete joy to see you on stage! My heart is full ♥. I cannot wait to see what the future holds for you ... to see you fulfill your dreams is breathtaking.

Tonight as you step on stage as The Cheshire Cat, know that my smile is as wide and beaming ... watching you with great pride. I love you, son, with all of my soul.

Forever, Mom

Annika Chrusciel (*Blue/Gardener #2/Diamond*) Annika is thrilled to be in *Wonderland* for her first fall play! A sophomore at Geneva, she has most recently portrayed Tinkerbell in *Peter Pan* and Minnie Fay in last year's spring musical *Hello, Dolly!* She'd like to extend a BIG thank you to Konnie, Miss Woodruff, Miss Toledano, the tech crew, and the rest of her amazing cast for working so hard to bring these performances together. She appreciates your support of the arts and hopes you enjoy the madness of this show!

Payton Dahlin (*Mad Hatter*) Payton is a senior at Geneva High School. He likes acting, making movies, and listening to music. His average Saturday night is spent in a bathtub full of Swedish fish playing Minecraft. He dedicates his performance to liZards, Sneaky Pete and his father, Greg Ivanov.

Cast

Maggie Hendrian (Violet/Diamond) Maggie is a junior and is thrilled to be in her third GHS show! Maggie is no stranger to the stage and has been involved in theatre since kindergarten. She enjoys both the onstage and offstage aspects of theatre, having recently interned with Mystage's production of Alice in Wonderland Jr. Ironic, right? When not at rehearsal or on the stage, you may find Maggie singing, eating apples, watching Netflix, or spending time with family. She would like to give a shout-out to Konnie, Mrs. Woodruff, Ms. T., and Connor for making this show as incredible as it is. She would also like to dedicate this performance to her sisters and 5 year-old brother, who constantly push her to be a better performer by being amazing performers themselves. Thanks for supporting the GHS Theater Department and enjoy the show!

Ella Kobylecky (Tweedledum) Ella is a 14-year-old freshman, and this is her first Geneva High School production! Ella has been doing musical theatre since she was 4 years old and has been in over 35 productions, some include Beauty and the Beast (Belle, Cogsworth, Silly Girl), Shrek (Pinochio), and Wizard of Oz (Tinman). In her free time, Ella enjoys hanging out with friends, listening to Broadway music, and watching "Grey's Anatomy". Ella would like to thank the cast and crew for such wonderful memories and she hopes you enjoy the show!

Ella, "How do you do?" it? It's quite logical I'm sure. Love, Mom & Dad

Jediah, Watching you in the fall plays has been so entertaining—from a palace guard as a freshman to a caterpillar as a senior. You always delight us with your own spin on things! We're so proud of you! Love, Mom and Dad

Congratulations on your first high school fall play, Caroline. You've "cooked up" a great performance and "spiced up" your role with "more pepper". Love you lots - Mom and Dad

Cast

Gus Larson (Tweedledee) Some might say that Gus Larson is an omnipotent being made of pure talent, who somehow managed to acquire every role in the play and can be everywhere onstage at once. Contrariwise, as much as those people (who may or may not exist) would love to be correct, Gus is only a sophomore, playing Tweedledee. When not practicing spinning around and fencing with a feather duster, he can be found pursuing his other interests in art, science, marching band, and writing bios that are probably getting too long at this point. Gus has been in other such plays as The Hobbit, Wicked, Beauty and the Beast, and Looking Glass Land, a play based in the same world he now dwells in once more.

Uncle Jake, Next time you babysit, can I be Alice and you be the cat? And Joey can be The Mad Hatter?? We are so excited to see you on a stage!! We love you Love, Evy and Joey

Alene Lautenschlager (*Soldier/Gardener #5*) Alene is a sophomore at Geneva High School and is thrilled to be in her first high school production. Some of her favorite past roles include the Sour Kangaroo in *Seussical Jr.*, Fairy Godmother in *Cinderella*, and Alma Hix in *The Music Man*. She would like to thank the cast and crew for working so hard on this show and her family for always supporting her. Enjoy!

Caroline Lesniak (*Pink/Diamond*) This is Caroline's first play at GHS, and she is very excited to be a part of the production as a freshman. When she isn't at rehearsal, you can find her writing stories or singing. She is a member of the Fox Valley Children's High School Chorus. Caroline also enjoys helping out at her church, St. Marks, in St. Charles. She does puppet shows for little kids and sings with the Praise Band.

Erin McKenna (*White Rabbit*) Erin is so excited to be part of her first ever Geneva High School production! She is currently a senior at GHS and spends most of her time practicing for the Marching Band and Speech Team. She would like to thank her family and friends for always being wonderful and supportive, and the cast and crew for making her first school play experience one she'll never forget!

.....
 Payton - We are so proud of you and how far you've come! The world is going to be a better place because of you! We can't wait to see the Mad Hatter in action. *We love you to pieces - Mom & Dad* 

.....
 Hey Bubs!
 The courage and dedication that it takes to get up on stage and perform year after year... I can't begin to imagine. You put your heart and soul into every performance and it shows. You simply continue to surprise me, entertain me, and it's only the beginning of what I hope is a long and satisfying career in the Arts. I've never been more proud!!
Love always, Auntie Amy 

Cast

Jacob Miller (*Cheshire Cat*) Jacob is a senior at GHS (somehow). He is a strange boy with lots of ideas and never enough time to pursue them all. Certainly not enough time to write a well thought out and emotional bio to tribute all the amazing and unforgettable memories he has experienced not only on and off the stage, but at Geneva High School. That being said, he would like to thank all of those who have supported his love and passion for the arts throughout his entire life; family, friends, role models and mentors. He also dislikes writing about himself in the third person because it seems oddly distant and awkward. So, he would like to say a few words himself. "Yo, thank you for coming to the show, I am super psyched to be a part of this. It has been a radical journey getting here. I hope you enjoy it or at the very least see me make a fool of myself in one way or another. Sorry this bio isn't that impressive - JJ Milley out!" So, enjoy the show and stay weird.

Jediah Nims (*Caterpillar*) Jediah Nims is a senior at Geneva High School. This is his fourth year of doing shows at Geneva, and he is extremely excited to play the role of the Caterpillar in his last fall play! Enjoy the show!

.....
 Congrats, Reed, on your first high school play! We can't wait to see the show. You will always be our "King of Hearts".

Lilly Nowak (*Queen of Hearts*) Lilly is a freshman and is so excited to be a part of her first high school production! Lilly fell in love with theatre at a very young age and has been acting/singing ever since. Some of her favorite roles include Annie, (*Annie & Annie Warbucks*), Gertrude Mcfuzz, (*Seussical*), Pocahontas, (*Pocahontas*), Frenchie (*Grease*), and Lumiere (*Beauty and the Beast*). Lilly would like to thank the cast and crew for all their love and support. She would also like to remind the audience to be silent and respectful during the performance or... off with their heads!

Caroline Ostergard (*Gryphon*) Carrie is so happy to be able to participate in Geneva High School's fall play. Some of her favorite past roles include Mayzie in *Seussical*, Mother Abbess in *The Sound of Music*, and Ella Paterson in *Annie Warbucks*. Carrie would like to thank her family for their support through the rehearsals and for all the hard work of the directors and creative contributors.

Cast

Ariela Policastro (*Duchess*) Ariela is thrilled to be performing the role of the Duchess in this year's fall play, *Alice In Wonderland!* Being a senior, this will be Ariela's last fall play in high school. She has previously been seen as Irene Molloy in last spring's musical, *Hello Dolly!*, and has helped with last year's fall show, *Noises Off*. Ariela is extremely grateful for the experience, laughs, and lifelong friends this theatre program has granted her, and cannot wait to pursue music education in her future!

Izzy Schamberger (*Dormouse*) Izzy is a junior at Geneva High School, and this is her first play at GHS. She is excited to be playing to dormouse because, like her character, she enjoys being lazy and sleeping. When she is awake Izzy partakes in various crafting activities such as wood whittling and quilting. She is also movie leader for the Geneva Television Club at the high school. Enjoy the show.

Lucy Smith (*March Hare*) Lucy is a senior who spends far too much time in the music hallway and the auditorium. Although she is bittersweet about her final fall play at GHS, she is very happy to have shared it with this cast and crew. When not in the theater, Lucy spends her time drinking chai tea lattes and studiously avoiding her homework for as long as she possibly can.

She has recently been in *Hello Dolly!* and *Noises Off* at Geneva, as well as performing in the community. Lucy would like to give a huge thanks to Konnie and Ms. Woodruff for all their help in putting together this amazing show.

Megan Styrna (*Alice*) Megan is 17 and a junior at GHS. She loves singing, coffee, traveling, and would love to pursue musical theatre in the near future. Some of her recent shows were *Hello, Dolly!* (Dolly Levi), *Noises Off* (Brooke), and *Mary Poppins* (Mary). She is beyond grateful for this opportunity and can't wait to bring the beloved character and novel to life. She would like to

thank her family and friends for being endlessly supportive and Konnie Kay, Ms. Woodruff, and Ms. Toledano for all their devotion to this show. Enjoy!

Audrey Webb (*Mock Turtle*) Audrey is a freshman at GHS and is thrilled to be a part of her first show here! She would like to thank the GHS theatre family for welcoming her and hopes you enjoy the show!
